## COACH BOB SHOUP, H'93

Football Coach, 1962-1989 | Athletic Director, 1969-1977

Bob Shoup led the Kingsmen football team to 13 District III championships, five national playoff appearances and an NAIA Championship in 1971. He was voted the district's Coach of the Year nine consecutive times and named NAIA Western Coach of the Year three times. In recognition of his storied career, Shoup was inducted into the NAIA 2008-2009 Hall of Fame.

When he arrived at Cal Lutheran, the school had no locker rooms and no playing fields. A man of deep Lutheran faith, Shoup traveled some 50,000 miles over his career to recruit students. He coached men's golf, baseball and tennis, and also performed leading roles in musicals on the college's stage. Ultimately, more than 186 former players under Shoup's guidance chose to become coaches themselves.

In his "Football Manual" for the Kingsmen team, he wrote,

"Our philosophy is simple—football is fun and the best fun is winning. We strive to win and do it with humility and grace. If we happen to lose, we do it with our heads high and respect for our opponents. At all times we represent the team and our College. We should be proud of both... [The] fundamental purpose of athletics, besides 'What will the scoreboard read?', are two questions to be asked by the athletes of themselves:
1. What kind of person will I be? 2. What kind of life will I lead?"
